NOW COMES the United States of America, by and through R. Andrew Murray, United States Attorney for the Western District of North Carolina, and hereby files this Factual Basis in support of the plea agreement filed simultaneously in this matter.

This Factual Basis is filed pursuant to Local Criminal Rule 11.2 and does not attempt to set forth all of the facts known to the United States at this time. By their signatures below, the parties expressly agree that there is a factual basis for the guilty plea that the defendant will tender pursuant to the plea agreement, and that the facts set forth in this Factual Basis are sufficient to establish all of the elements of the crime(s). The parties agree not to object to or otherwise contradict the facts set forth in this Factual Basis.

Upon acceptance of the plea, the United States will submit to the Probation Office a "Statement of Relevant Conduct" pursuant to Local Criminal Rule 32.4. The defendant may submit (but is not required to submit) a response to the Government's "Statement of Relevant Conduct" within seven days of its submission. The parties understand and agree that this Factual Basis does not necessarily represent all conduct relevant to sentencing. The parties agree that they have the right to object to facts set forth in the presentence report that are not contained in this Factual Basis. Either party may present to the Court additional relevant facts that do not contradict facts set forth in this Factual Basis.

1. On or about July 2, 2019, the defendant did knowingly distribute visual depictions of prepubescent minors engaging in sexually explicit conduct.

2. Defendant distributed the visual depictions of the minors engaging in sexually explicit conduct using a means and facility of interstate and foreign commerce; he shared the visual depictions over Discord, which is an internet messaging application that, in addition to allowing users to video chat and send messages back and forth, allows users to send files such as images or videos to each other.

3. When the defendant distributed the visual depictions of prepubescent minors engaged in sexually explicit conduct over Discord, the defendant was located in Mecklenburg County, which is within the Western District of North Carolina.
